In this prospectus, "Bioptix," "the Company," "we," "us," and "our" refer to Bioptix, Inc., a Colorado corporation, unless the context otherwise requires.

OUR BUSINESS

Historical Operations

We hold an exclusive license agreement with Washington University ("WU") in St. Louis which granted us an exclusive license and right to sublicense its technology for veterinary products worldwide, subject to certain exceptions. In July 2012, we granted Ceva Sante Animale S.A. ("Ceva") an exclusive royalty-bearing license to our intellectual property and other assets, relating to recombinant single chain reproductive hormone technology for use in non-human mammals. This license includes a sublicense of the technology licensed to us by WU. Ceva continues to advance development of the bovine rFSH product and cumulative cash payments received to date by us from Ceva have been approximately \$2 million.

On February 25, 2016, we completed the sale of our corporate headquarters, land and building, to a third party at a purchase price of \$4,053,000. The sale generated approximately \$1.8 million in net cash after expenses and mortgage payoffs. In addition to agreeing to the sale, we rented back space in the building under short-term lease agreements that provide storage space required for our current level of operations.

Through our wholly owned subsidiary, BiOptix Diagnostics, Inc. ("BDI"), which we acquired in September 2016, we have developed a proprietary Enhanced Surface Plasmon Resonance technology platform for the detection of molecular interactions. We acquired a Surface Plasma Resonance (SPR) platform which seeks to combine high sensitivity with microarray detection capability to allow researchers to understand whether their target molecules have functionality against the disease targeted. SPR is an advanced and highly sensitive optical technology that can measure refractive index changes on a sensor chip's gold surface due to a change in mass that occurs during a binding event. This change can be used to monitor biological interactions such as the concentration of target molecules, kinetic rates and affinity constants.

BDI is a life science tools company that provides an affordable solution for drug discovery scientists who require label-free, real-time detection of bio-molecular interactions. BDI manufactures, sells and services instruments and consumables to pharmaceutical researchers allowing them to develop new drugs faster than by using older technologies such as enzyme-linked immunosorbent assay or "ELISA". BDI was originally established with technology developed in conjunction with Dr. John L. "Jan" Hall, Adjoint Professor, JILA (University of Colorado), who shared the Nobel Prize for Physics in 2005 for his work on laser-based precision spectroscopy and the optical frequency comb technique. SPR is the core of the BDI products and intellectual property. Dr. Hall, in conjunction with the scientists at BDI, created a common path interferometer that was commercialized to become the 404pi instrument.

When it was acquired by us in September 2016, BDI was in the initial stages of rolling out its first commercial product, the 404pi system. BDI's initial revenue was generated in 2014 with first sales to customers including sales to leading academic researchers and biotech companies. BDI did not experience any significant seasonality to its business and provided normal terms to its customers, generally 30-60 days, net. Currently there is no back-log of orders.

Following the September 2016 acquisition of BDI, we began hiring sales, marketing and operational employees, adding a total of eight employees to the twelve hired in connection with the acquisition.

The BDI products include a reader instrument (404pi) and the consumable test products consisting of test chips (cassettes) and packaging. The instrument is assembled in-house using primarily off the shelf parts and certain customized components. Consumable test product components are manufactured at the BDI facility using certain sub-assemblies processed by third-party contractors. Raw materials and certain sub-components are acquired from a number of suppliers.

Effective January 14, 2017, the Company adopted a plan to exit the business of BDI and commenced a significant reduction in the workforce. The decision to adopt this plan was made following an evaluation by the Company's Board of Directors in January 2017, of the estimated results of operations projected during the near to mid-term period for BDI, including consideration of product development required and updated sales forecasts, and estimated additional cash resources required. Accordingly, the historical results of BDI have been classified as discontinued operations for all periods presented.

Following the recent decision to exit the BDI business, we have begun evaluating potential strategic alternatives. We expect, in the near term, to establish the primary criteria we will consider as we evaluate our next steps and strategic path forward with the goal of maximizing value for our stockholders. Additionally, we will focus on attempting to locate an acquirer or partner for the BDI operations as well as continuing to attempt to locate an interested party for the appendicitis assets.

RISK FACTORS

Investing in our securities involves a high degree of risk. Before making an investment decision, you should carefully consider the risks, uncertainties and forward-looking statements described under "Risk Factors" in Item 1A of our most recent Annual Report on Form 10-K for the fiscal year ended December 31, 2016 filed with the Securities and Exchange Commission (the "SEC") on March 31, 2017, as amended as of April 27, 2017 and August 15, 2017, as well as information incorporated by reference into this prospectus. If any of these risks were to occur, our business, financial condition or results of operations would likely suffer. In that event, the value of our securities could decline, and you could lose part or all of your investment. The risks and uncertainties we describe are not the only ones facing us. Additional risks not presently known to us or that we currently deem immaterial may also impair our business operations. In addition, our past financial performance may not be a reliable indicator of future performance, and historical trends should not be used to anticipate results in the future. See "Forward-Looking Statements" below.

FORWARD-LOOKING STATEMENTS

This prospectus, including the documents that we incorporate by reference, contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (the "Securities Act"), and Section 21E of the Exchange Act. Such forward-looking statements include those that express plans, anticipation, intent, contingency, goals, targets or future development and/or otherwise are not statements of historical fact. These forward-looking statements are based on our current expectations and projections about future events and they are subject to risks and uncertainties known and unknown that could cause actual results and developments to differ materially from those expressed or implied in such statements.

In some cases, you can identify forward-looking statements by terminology, such as "expects," "anticipates," "intends," "estimates," "plans," "believes," "seeks," "may," "should", "could" or the negative of such terms or other similar expressions. Accordingly, these statements involve estimates, assumptions and uncertainties that could cause actual results to differ materially from those expressed in them. Any forward-looking statements are qualified in their entirety by reference to the factors discussed throughout this prospectus.

You should read this prospectus and the documents that we reference herein and therein and have filed as exhibits to the registration statement, of which this prospectus is part, completely and with the understanding that our actual future results may be materially different from what we expect. You should assume that the information appearing in this prospectus is accurate as of the date on the front cover of this prospectus or such prospectus supplement only. Because the risk factors referred to above, as well as the risk factors incorporated herein by reference, could cause actual results or outcomes to differ materially from those expressed in any forward-looking statements made by us or on our behalf, you should not place undue reliance on any forward-looking statements. Further, any forward-looking statement speaks only as of the date on which it is made, and we undertake no obligation to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made or to reflect the occurrence of unanticipated events. New factors emerge from time to time, and it is not possible for us to predict which factors will arise. In addition, we cannot assess the impact of each factor on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements. We qualify all of the information presented in this prospectus and any accompanying prospectus supplement, and particularly our forward-looking statements, by these cautionary statements.

USE OF PROCEEDS

The net proceeds from any disposition of the shares covered hereby would be received by the selling stockholders. We will not receive any of the proceeds from the sale of our Common Stock by the selling stockholders other than the net proceeds of any warrants exercised for cash.

DESCRIPTION OF TRANSACTIONS

On March 10, 2017, we sold \$2,250,000 of units of our securities, pursuant to separate purchase agreements with certain of the selling stockholders, at a purchase price of \$2.50 per unit. Each unit consists of one share of our Common Stock and a three year warrant to purchase one share of Common Stock, at an exercise price of \$3.50 per share .

The warrants are exercisable at any time on or after the sixth month anniversary of the date of issuance and expire three years from the date of issuance. The holders may, subject to certain limitations, exercise the warrants on a cashless basis. We are prohibited from effecting an exercise of any warrant to the extent that, as a result of any such exercise, the holder would beneficially own more than 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of such warrant.

On May 25, 2017, the Lead Investor (as defined below) waived the requirement that the securities and purchase price remain in escrow subject to the occurrence of a "Qualified Transaction" and the Common Stock and warrants and the proceeds from the sale of the Common Stock and warrants were released from escrow to the investors and the Company, respectively.

On March 15, 2017, we entered into separate securities purchase agreements pursuant to which we agreed to sell up to \$4,750,000 of principal amount of Notes and three year warrants to certain of the selling stockholders. On March 16, 2017, we satisfied all closing conditions and closed the transaction. The Notes are convertible into shares of Common Stock at an initial conversion price of \$2.50. Each warrant is exercisable into shares of Common Stock at an exercise price equal to \$3.56 per share.

On August 18, 2017, the Lead Investor waived the requirement that the securities and purchase price remain in escrow subject to the occurrence of a "Qualified Transaction" and the Notes and warrants and the proceeds from the sale of the Notes and warrants were released from escrow to the investors and the Company, respectively.

Pursuant to the terms of the transaction, on August 21, 2017, at a special meeting of our stockholders, our stockholders approved an amendment to our Articles of Incorporation authorizing the creation of 15,000,000 shares of "blank check" preferred stock. On September 20, 2017, we designated 2,000,000 shares of preferred stock as "2% Series A Convertible Preferred Stock" in connection with the filing of a Certificate of Designations, Preferences and Rights of 2% Series A Convertible Preferred Stock with the Secretary of State of the State of Nevada, at which time the Notes automatically, and without any further action on the part of the holders, were exchanged for shares of Series A Preferred Stock based on a ratio of \$1.00 of stated value of Series A Preferred Stock for each \$1.00 of the then outstanding principal amount plus any accrued but unpaid interest on the exchanged Note, pursuant to Section 3(a)(9) of the Securities Act. The Company issued an aggregate of 19,194.72 shares of Series A Convertible Preferred Stock, convertible into an aggregate of 1,919,472 shares of Common Stock, which such shares of Common Stock are being registered for resale hereunder.

On August 21, 2017, stockholders of the Company authorized that the existing warrants issued to investors in the private placements on March 10, 2017 to purchase an aggregate of 900,000 shares of common stock at an exercise price of \$3.50 per share and on March 16, 2017 to purchase an aggregate of 1,900,000 shares of common stock at an exercise price of \$3.56 per share, may, at the discretion of the Board of Directors, be temporarily reset from \$3.50 per share and \$3.56 per share, respectively, to \$3.00 per share for a period during which the Company will provide a one-time option to holders of the warrants to exercise their warrants at such lower price. Holders of warrants that opt to exercise at the temporarily lower exercise price of \$3.00 will only be allowed to exercise their warrants in cash, as, in exchange for lowering the exercise price, the warrants will no longer contain a cashless exercise feature for such period that the exercise price is \$3.00. No action has as of the date of this registration statement been taken to adjust the warrant exercise prices.

The Lead Investor is Barry Honig who is also a selling stockholder, both individually and through GRQ Consultants, Inc. Roth 401K FBO Barry Honig, for which Mr. Honig is trustee.

SELLING STOCKHOLDERS

This prospectus relates to the sale or other disposition of up to 5,677,102 shares of our Common Stock by the selling stockholders named below, and their donees, pledgees, transferees or other successors-in-interest selling shares of Common Stock or interests in shares of Common Stock received after the date of this prospectus from a selling stockholder as a gift, pledge, partnership distribution or other transfer, which includes:

- (i) 900,000 shares of Common Stock;
- (ii) 1,977,102 shares of Common Stock issuable upon the conversion of outstanding Series A Convertible Preferred Stock (including shares of common stock issuable upon a 2% annual dividend, calculated for a period of eighteen (18) months), and;
- (iii) 2,800,000 shares of Common Stock issuable upon the exercise of outstanding warrants.

The following table, based upon information currently known by us, sets forth as of September 20, 2017, (i) the number of shares held of record or beneficially by the selling stockholders as of such date (as determined below) and (ii) the number of shares that may be sold or otherwise disposed of under this prospectus by each selling stockholder. Percentage ownership is based on 5,436,503 shares of Common Stock outstanding as of September 20, 2017, plus securities deemed to be outstanding with respect to individual stockholders pursuant to Rule 13d-3(d)(1) under the Exchange Act. Beneficial ownership includes shares of Common Stock plus any securities held by the holder exercisable for or convertible into shares of Common Stock within 60 days after September 20, 2017, in accordance with Rule 13d-3(d)(1) under the Exchange Act. The inclusion of any shares in this table does not constitute an admission of beneficial ownership for the selling stockholder named below. We do not know when or in what amounts a selling stockholder may sell or otherwise dispose of the shares of Common Stock covered hereby.

The selling stockholders may not sell or otherwise dispose of any or all of the shares offered by this prospectus and may sell or otherwise dispose of shares covered hereby in transactions exempt from the registration requirements of the Securities Act. Because the selling stockholders may sell or otherwise dispose of some, all or none of the shares covered hereby, and because there are currently no agreements, arrangements or understandings with respect to the sale of any of the shares, we cannot estimate the number of the shares that will be held by the selling stockholders after completion of the offering. However, for purposes of the following table, we have assumed that all of the shares covered hereby are sold by the selling stockholders pursuant to this prospectus.

None of the selling stockholders has held any position or office, or has otherwise had a material relationship, with us or any of our subsidiaries within the past three years other than as a result of the ownership of our shares or other securities. Unless otherwise indicated below, to our knowledge, all persons named in the table have sole voting and investment power with respect to their shares of Common Stock, except to the extent authority is shared by their spouses under applicable law. Unless otherwise indicated below, to our knowledge, no persons named in the table are a broker-dealer or affiliate of a broker-dealer. Unless otherwise indicated, all addresses are c/o Biopix, Inc., 834-F South Perry Street, Suite 443, Castle Rock, CO 80104.

PLAN OF DISTRIBUTION

Each selling stockholder of the Common Stock and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their shares of Common Stock on The NASDAQ Capital Market or any other stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed or negotiated prices. A selling stockholder may use any one or more of the following methods when selling shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;
- broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The selling stockholders may also sell shares under Rule 144 under the Securities Act of 1933, as amended, if available, rather than under this prospectus.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with FINRA IM-2440.

In connection with the sale of the Common Stock or interests therein, the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the Common Stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of the Common Stock short and deliver these securities to close out their short positions, or loan or pledge the Common Stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling stockholders and any broker-dealers or agents that are involved in selling the shares may be deemed to be "underwriters" within the meaning of the Securities Act of 1933, as amended, in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act of 1933, as amended. Each selling stockholder has informed us that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the Common Stock.

We are required to pay certain fees and expenses incurred by us incident to the registration of the shares. We have agreed to indemnify the selling stockholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act of 1933, as amended.

Because selling stockholders may be deemed to be "underwriters" within the meaning of the Securities Act of 1933, as amended, they will be subject to the prospectus delivery requirements of the Securities Act of 1933, as amended, including Rule 172 thereunder. In addition, any securities covered by this prospectus which qualify for sale pursuant to Rule 144 under the Securities Act of 1933, as amended may be sold under Rule 144 rather than under this prospectus. There is no underwriter or coordinating broker acting in connection with the proposed sale of the resale shares by the selling stockholders.

We agreed to keep this prospectus effective until the earlier of (i) the date on which the shares may be resold by the selling stockholders without registration and without the requirement to be in compliance with Rule 144(c)(1) and otherwise without restriction or limitation pursuant to Rule 144 or (ii) all of the shares have been sold pursuant to this prospectus or Rule 144 under the Securities Act or any other rule of similar effect. The resale shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Securities Exchange Act of 1934, as amended, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to the Common Stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholders will be subject to applicable provisions of the Securities Exchange Act of 1934, as amended, and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of shares of the Common Stock by the selling stockholders or any other person. We will make copies of this prospectus available to the selling stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act of 1933, as amended).

DESCRIPTION OF CAPITAL STOCK

General

The following description of our capital stock summarizes the material terms and provisions of our Common Stock. For the complete terms of our Common Stock, please refer to our Articles of Incorporation and our Bylaws that are incorporated by reference into the registration statement of which this prospectus is a part or may be incorporated by reference in this prospectus. The terms of these securities may also be affected by the Nevada Revised Statutes. The summary below is qualified in its entirety by reference to our amended and restated Articles of Incorporation and our amended and restated Bylaws .

As of the date of this prospectus, our authorized capital stock consisted of 170,000,000 shares of Common Stock, no par value per share. As of the date of this prospectus, there were 5,436,503 shares of our Common Stock issued and outstanding .

Common Stock

Holders of Common Stock are entitled to one vote for each share held on all matters submitted to a vote of shareholders, except that in the election of directors each shareholder shall have as many votes for each share held by him, her or it as there are directors to be elected and for whose election the shareholder has a right to vote. Cumulative voting is not permitted. Generally, all matters to be voted on by shareholders must be approved by a majority, or, in the case of the election of directors, by a plurality, of the votes cast at a meeting at which a quorum is present. Holders of outstanding shares of our Common Stock are entitled to those dividends declared by the Board of Directors out of legally available funds, and, in the event of our liquidation, dissolution or winding up of our affairs, holders are entitled to receive ratably our net assets available to the shareholders. Holders of our outstanding Common Stock have no preemptive, conversion or redemption rights. All of the issued and outstanding shares of our Common Stock are, and all unissued shares of our Common Stock, when offered and sold will be, duly authorized, validly issued, fully paid and nonassessable. To the extent that additional shares of our Common Stock may be issued in the future, the relative interests of the then existing shareholders may be diluted.

Warrants

On March 10, 2017, we issued to purchasers of our units warrants to purchase an aggregate of 900,000 shares of Common Stock. The warrants were exercisable at a price of \$3.50 per share, subject to adjustment, and expire three years from the date of issuance. The holders may, subject to certain limitations, exercise the warrants on a cashless basis. We are prohibited from effecting an exercise of any warrant to the extent that, as a result of any such exercise, the holder would beneficially own more than 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of such warrant. 55.5556% of the warrants (and common stock) issued to each investor were being held in escrow pending the satisfaction of certain release conditions. On May 25, 2017, the warrants (and associated shares of common stock) and the proceeds from the sale therefrom were released from escrow to the investors and the Company, respectively, and no longer remain subject to a “Qualified Transaction.”

On March 16, 2017, we issued warrants to purchase an aggregate of 1,900,000 shares of Common Stock with each warrant based upon the number of shares of Common Stock equal to 100% of such investor's subscription amount divided by the conversion price of \$2.50. The warrants were exercisable at a price of \$3.56 per share, subject to adjustment, and expire three years from the date of issuance. The holders may, subject to certain limitations, exercise the warrants on a cashless basis. We are prohibited from effecting an exercise of any warrant to the extent that, as a result of any such exercise, the holder would beneficially own more than 9.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of such warrant. The warrants issued to each investor were held in escrow pending the satisfaction of certain release conditions. On August 18, 2017, the warrants (and associated Notes) and the proceeds from the sale therefrom were released from escrow to the investors and the Company, respectively, and no longer remain subject to a “Qualified Transaction.”

On August 21, 2017, stockholders of the Company authorized that the existing warrants issued to investors in the private placements on March 10, 2017 to purchase an aggregate of 900,000 shares of common stock at an exercise price of \$3.50 per share and on March 16, 2017 to purchase an aggregate of 1,900,000 shares of common stock at an exercise price of \$3.56 per share, may, at the discretion of the Board of Directors, be temporarily reset from \$3.50 per share and \$3.56 per share, respectively, to \$3.00 per share for a period during which the Company will provide a one-time option to holders of the warrants to exercise their warrants at such lower price. Holders of warrants that opt to exercise at the temporarily lower exercise price of \$3.00 will only be allowed to exercise their warrants in cash, as, in exchange for lowering the exercise price, the warrants will no longer contain a cashless exercise feature for such period that the exercise price is \$3.00. No action has as of the date of this registration statement been taken to adjust the warrant exercise prices.

If we, at any time while the warrants are outstanding: (i) pay a stock dividend or otherwise make a distribution or distributions payable in shares of Common Stock or any Common Stock equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of the warrants), (ii) subdivide outstanding shares of Common Stock into a larger number of shares, (iii) combine (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issue, in the event of a reclassification of shares of the Common Stock, any shares of capital stock, then the exercise price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event, and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event.

Series A Convertible Preferred Stock

Pursuant to the terms of the transaction, on August 21, 2017, at a special meeting of our stockholders, our stockholders approved an amendment to our Articles of Incorporation authorizing the creation of 15,000,000 shares of "blank check" preferred stock. On September 20, 2017, we designated 2,000,000 shares of preferred stock as "2% Series A Convertible Preferred Stock" in connection with the filing of a Certificate of Designations, Preferences and Rights of 2% Series A Convertible Preferred Stock with the Secretary of State of the State of Nevada, at which time the Notes automatically, and without any further action on the part of the holders, were exchanged for shares of Series A Preferred Stock based on a ratio of \$1.00 of stated value of Series A Preferred Stock for each \$1.00 of the then outstanding principal amount plus any accrued but unpaid interest thereon, pursuant to Section 3(a)(9) of the Securities Act. The Company issued an aggregate of 19,194.72 shares of Series A Convertible Preferred Stock, convertible into an aggregate of 1,919,472 shares of Common Stock, which such shares of Common Stock are being registered for resale hereunder.

The shares of Series A Preferred Stock are convertible into shares of Common Stock based on a conversion calculation equal to the stated value of the Series A Preferred Stock, plus all accrued and unpaid dividends, if any, on such Series A Preferred Stock, as of such date of determination, divided by the conversion price. The stated value of each share of Series A Preferred Stock is \$250 and the initial conversion price is \$2.50 per share, each subject to adjustment for stock splits, stock dividends, recapitalizations, combinations, subdivisions or other similar events.

The holders of Series A Preferred Stock are entitled to receive dividends if and when declared by the Company's board of directors. The Series A Preferred Stock will participate on an "as converted" basis, with all dividends declared on the Company's Common Stock. Such dividends will be paid by the Company out of funds legally available therefor, payable, subject to the conditions and other terms hereof, in shares of Common Stock on the stated value of such Series A Preferred Stock at the dividend rate or two (2%) percent per annum, which shall be cumulative and shall continue to accrue and compound monthly whether or not declared and whether or not in any fiscal year there shall be net profits or surplus available for the payment of dividends in such fiscal year. In addition, if the Company grants, issues or sells any rights to purchase securities pro rata to all record holders of Common Stock, each holder of Series A Preferred Stock will be entitled to acquire such securities applicable to the granted purchase rights as if the holder had held the number of shares of Common Stock acquirable upon complete conversion of all Series A Preferred Stock then held.

The Company is prohibited from effecting a conversion of the Series A Preferred Stock to the extent that, as a result of such conversion, the holder would beneficially own more than 4.99% of the number of shares of Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of the Series A Preferred Stock, which beneficial ownership limitation may be increased by the holder up to, but not exceeding, 9.99%. Each holder is entitled to vote on all matters submitted to stockholders of the Company, and will have the number of votes equal to the number of shares of Common Stock issuable upon conversion of such holder's Series A Preferred Stock, based on an effective conversion price of \$2.50 per share of Common Stock, and not in excess of the beneficial ownership limitations.

The transfer agent and registrar for our Common Stock is Corporate Stock Transfer, Inc., Denver, Colorado.

In a criminal action, the director, officer, employee or agent must not have had reasonable cause to believe his/her conduct was unlawful.

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii), and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is a part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
